BUILT FOR MEANINGFUL COMPETITION

Everything needed to move from an idea to a recognized winner.

Spotlight Contest brings contestants, organizers, voters, and judges into one clear experience built for credible participation and visible results.

01
Simple contestant entry
Public users can register for an eligible contest, upload their contestant photo, and manage their entry from a dedicated dashboard.

02
Shareable voting pages
Every approved entry has a direct link contestants can share so their communities can find and vote for them.

03
Structured judging
Invite judges and use scoring criteria when a contest calls for expert evaluation.

04
Moderation controls
Review submissions and reports before they affect the quality of a live contest.

05
Organizer insights
Track participation and contest activity from purpose-built organizer views.

06
Winner recognition
Publish verified results and give winning entries a place to be celebrated.

HOW TO PARTICIPATE

Your moment in three simple steps

From beauty showcases and community competitions today to broader voting-led contests as the platform grows.

01
Choose an active contest
Review its eligibility, entry requirements, voting method, timeline, and prize details.

02
Join as a contestant
Create your account, upload the photo required for your contestant profile, and submit your entry.

03
Share and build support
Send your unique entry link to your community so eligible voters can support you when voting opens.
